

Procedures for Adding Players

Team Contact uses the assigned ID and password to access database at <https://www.youthleaguesusa.com/dysa/2009/Database.htm>

- In Team View, **click on the button 'Request Player Status Change'**
- Select the appropriate choice from the dropdowns to add the player
- When the player is added to the team, print a player pass and player application.
- An auto email goes to the ASR, noting that a change request has been submitted. He/she must then approve the request.
- Contact your registrar and present the player application, signed player pass, copy of player's birth certificate and a check made payable to DYSA for \$15.50
