

DELAWARE ODP TRYOUTS for 2009 – 2010 SEASON
(Subject to Change – Continue to check website)

Tryouts for the Delaware Olympic Development Program (ODP) will begin August 30th. To be eligible to tryout a player must:

- 1. Reside in the State of Delaware, OR**
- 2. Be Primary Rostered on a Delaware club Team, OR**
- 3. Attend a Delaware High School.**

Players MUST tryout for the team in their birth year.

Players with a 1998 birth year may tryout for the 1997 boys or girls teams;

However, this is the only age group that is permitted to “play up”. All other players must tryout and play for the team in their appropriate age group.

Please understand that the dates set below will be the ONLY dates available for ODP tryouts. If you are interested in trying out and can not make any of the dates scheduled for your age group, contact Mary Ann McKenna at odp@dysa.org and we will TRY, to schedule an evaluator to evaluate the player at a league or school game. The decision to evaluate separately will be decided by ODP Administration. This decision will be based on reasons for not being able to attend regularly scheduled tryouts.

For More Information on the Girls ODP Program you can review the video “[Maximize Your Potential](#)” on the Region I Website <http://www.region1.com/>
